Deluxe Cabinets

Our finest cabinet sets the standard with heavy-duty, 16-gauge steel door frame and numerous performance features

1 Heavier Gauge Construction

16-gauge fully welded frame and heavy duty construction provides superior sturdiness and increased strength over our standard cabinets.

2 Reinforced Doors

Doors incorporate an extra wide reinforcement that is welded for added strength and stability.

3 Adjustable Levelers

Two adjustable levelers compensate for uneven floors.

4 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

5 Knuckle Hinges

Four-knuckle hinges for added durability.

6 Louvered Back Panel

Louvered back panel provides cabinet ventilation.

7 Adjustable Shelves

Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base

Raised base keeps contents out of harm's way from cleaning liquids.
