Hanging Garment Lockers

Choose from multiple configurations to secure uniforms, coveralls, smocks and other protective clothing. Provide space for four to eight people per unit with individual lockable compartments — plus master door access for servicing by a supervisor or supplier. Compact pre-engineered designs with your choice of locking systems adapt quickly to specific applications in a wide range of facilities.

- Compact design allows units to be installed near service or work areas, eliminating the need for secured storage rooms
- Garment and linen inventories can be accurately controlled and “shrinkage” minimized
- Door frames: 16-gauge, Doors: 20-gauge
- Shipped set up, ready to use with sturdy, pop-rivet construction
