

Stand Alone Offset Angle Shelving

Sturdy construction and easy installation make offset angle shelving ideal for applications calling for stand-alone sections.

- 13-gauge uprights utilize 8000 series 22-gauge "Box W" shelves for 36" w sections and 20-gauge "Box W" shelves for 48" w sections offering capacities of up to 600 lbs. per shelf. See page 44 for shelf capacities
- Open sections are great for cartoned or packaged stock providing high visibility
- Closed sections can serve as room dividers and offer protection from dust and sunlight
- Shelves adjust on 1½" centers using 8000 series shelf clips (nut and bolt top and bottom shelves for easy movement of empty sections)

Angle Uprights
